

THE GLOBE CLOTHING COMPANY

**"Pay as You Go"****2--10, Net 30**

That's a business expression. You are a dry goods retailer, and you buy a case of goods from a big manufacturer. By paying for that case in ten days you get a discount of 2 per cent. off the bill, so that if the case is billed at \$500, you save \$10 by paying for it in ten days. However, if you wait thirty days to pay for your case of goods, the manufacturer insists on getting his entire \$500—no discount.

Can you doubt the power of quick cash when a manufacturer figures it worth 2 per cent. to him if he can get it in ten days, which is over 72 per cent. a year, or 18 times what a 4 per cent. savings bank pays?

Rather astonishing figures, but they are true, and they indicate just what you save buying clothing for Men and Boys from THE GLOBE for cash.

**NEW RAILROAD TO COALFIELDS**

Chesapeake and Ohio Plans Valuable Sixty-one-Mile Branch Line.

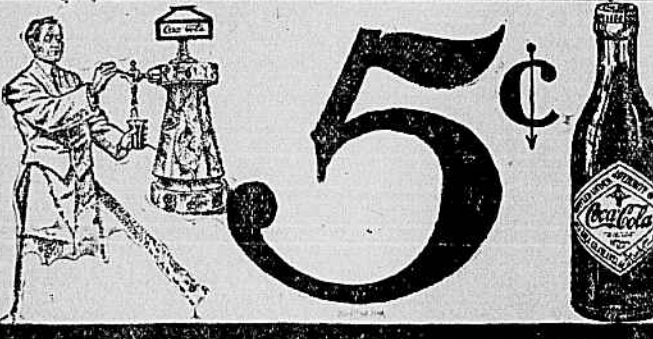

According to the officials of the Chesapeake and Ohio Railway, a branch line from the mouth of Twenty-Mile Creek, on Gauley River, along Gauley River and Meadow River to Rupert, West Virginia, a distance of sixty-one miles, is contemplated. If this line is built valuable coal and timber lands in West Virginia will be penetrated

and developed.

It is understood that a map covering the proposed branch has been filed at Fayetteville, W. Va. The road will be known as the Meadow Extension of the Gauley River Branch of the Chesapeake and Ohio Railway. The new coal and timber lands that will be opened are situated in Fayette, Nicholas and Greenbrier counties.

Should the proposed extension be made about 100,000 acres of coal and timber land will be opened up. It is also reported that the Chesapeake and Ohio has decided to secure rights of way and begin construction as soon as possible. The survey is said to show that a grade of less than 1 per cent can be secured.

The Chesapeake and Ohio is gradually pushing its lines into the heart of the coal fields of West Virginia. It is believed that this is one of the best and largest extensions contemplated at this time.

**RICHMOND FORCE MODEL FOR SOUTH**

Sergeant Holdcroft Detailed to Reorganize Police of Charlotte.

Sergeant Samuel W. Holdcroft, of the First Police District, was yesterday selected as the officer to go to Charlotte, N. C., where the services of a capable Richmond officer had been requested by the Charlotte authorities to reorganize their force on the lines of the department of this city.

About two months ago a committee from Charlotte visited a number of cities to study the efficiency of the various police forces, and finally decided upon Richmond as having the best department. They studied the force here alone at first, and then made known their identity to Major Werner, and from him procured an explanation as to how the local department is conducted. Later came the written request for a Richmond officer, and the matter was taken up and discussed in a meeting of the Board of Police Commissioners. Major Werner and Mayor Richardson were appointed a committee to make a selection, and their choice fell upon Sergeant Holdcroft.

Sergeant Holdcroft, who has been a member of the force since July 1, 1886, was elevated to the rank of sergeant eight years ago, and for three years has acted as desk sergeant in the First Police Station. He is known as an especially fine disciplinarian, and is thoroughly familiar with all the inner workings of the machine which Mayor Werner has built up. He will leave for his new field to-morrow.

**SCHOLARSHIP ENDOWED.**

V. M. L. Alumnae Gives Fund for Purposes—Other Institute News.

[Special to The Times-Dispatch.] Lexington, Va., July 9.—The most radical change which is being made in the buildings at the V. M. L. before the opening of the next session, is the removal of the offices of the superintendent and adjutant, with their assistants, from the old superintendent's quarters, which they have occupied from the time of the establishment of the school to the present date, to the rooms in the second story of the new library building.

The old offices will be converted into a dwelling to be occupied by Dr. Kerlin, the new professor of English. Deep gratification is felt that Colonel T. A. Jones, professor of engineering, who was obliged to give up his work on account of his health the latter part of last session, has so far recovered as to be able to resume his duties in the fall.

A fund has been placed in the hands of the superintendent by an alumna to endow a scholarship for a pupil applying mathematics, to be conferred upon some member of the second class, holding the first stand in this branch of study.

J. E. Woodridge, of Chester, Pa., has just presented to the Institute a life-size portrait of himself as a sergeant-major of the corps of cadets in the famous battle of New Market. Such gifts are among the most valued possessions of the V. M. L.

Mrs. W. W. King, of San Antonio, Texas, is visiting her daughter, Mrs. S. R. Gleaves, at the V. M. L. Mrs. King is recovering most satisfactorily from her recent illness, and the family will leave on Monday to spend a few weeks at the Rockbridge Baths.

Colonel Gleaves was ordered to act as umpire at the camp of instruction at Gettysburg, Pa., during the month of July, and to Camp Perry, Ohio, for August.

**Lipscomb—Jerome.**

[Special to The Times-Dispatch.] Saxe, Va., July 9.—Southall Memorial Methodist Church at Saxe was the scene of a pretty marriage on Thursday, when Miss Della Jerome, daughter of Mrs. Elizabeth Jerome, became the bride of William Robert Lipscomb.

David Traynham, of Martinsville, an uncle of the groom, assisted by J. C. Harry, officiated.

The church was tastefully decorated in ferns and cut flowers. The maid of honor was Miss Emily Latimer, of Wilkesbarre, Pa. The bridesmaids were Misses Virginia Cridlin, Corrie Halley, Mary Lipscomb and Nettie Cridlin. Little Miss Dorothy Cridlin was flower girl, and carried a basket of pink and white sweet peas. Master Lewis Crews carried the ring.

R. C. Cridlin, of Richmond, was best man, and Palmer and David Lipscomb, Lewis J. Owen and H. W. Lawson acted as ushers. The wedding march was played by Mr. W. B. Cridlin, of Richmond.

[Special to The Times-Dispatch.] Spencer, N. C., July 9.—John Baker, aged about twenty-eight years, of Sumner, Ky., was drowned in the Yadkin River near Spencer Thursday afternoon, while attempting to swim across the river in a small boat for the purpose of carrying a number of friends across. When in the middle of the stream he was overcome by a sudden swimmer and sank instantly. He was employed by the road building force on the Winston-Salem Southbound.

**GATE CITY PLANS BIG STUART RALLY**

Candidacy Fires Party in Scott With Determination to Win.

[Special to The Times-Dispatch.] Gate City, Va., July 9.—Hon. Henry C. Stuart, Democratic nominee for Congress from the Ninth District, will open his speaking campaign at Gate City August 20, at which time a great rally is planned. The county committee has already gone to work laying plans and preparing for a gathering that will recall the days of party enthusiasm when Daniel R. Tucker, Mr. Stuart's host of relatives in Scott county, and his candidacy has fired the ranks with a determination to win. He is admired by both Democrats and Republicans, and it is unquestioned that he will get a majority of the twenty-three hundred votes the county can cast, and they do not seem to regret the fact. They say that things are wrong elsewhere, and are not inclined to hold the party in power responsible for the unjust and burdensome conditions that prevail.

Mr. Stuart spent two days here recently and met citizens from every section of the county. They were charmed with him, and went back and told their neighbors of his kindly manners and his genial fellowship, and all are anxious to meet and grasp the hand of this genuine Virginian, that has won such a high place in public esteem. It will doubtless be the greatest political gathering ever witnessed in a Southwest Virginia county.

**A Great Money-Saving Opportunity**

*Never Before in the History of This Store Have We Been in a Position to Offer Such Excellent Values in Dependable Merchandise.*

**There Are Two Principal Reasons Why This Condition Exists**

First: Numbers of big manufacturing plants are closing out large quantities of merchandise under price to raise money quickly, and the MILLER & RHOADS store is always ready to take advantage of such opportunities.

Second: We are remodeling several sections of our store, preparing to have the best and most convenient shopping place in the entire country, and in these portions of the store where the contractors are cramping us or will begin to crowd us in a few weeks, we are cutting the prices to the bottom to make room for the workmen.

The Suit Department is in the hands of the contractor, and we are already crowded into one-half of our usual space there. The concrete workers are to begin tearing up the basement for new granolithic floors in the next three weeks; and other big improvements throughout the store will demand the clearing of stocks to make room and you will be benefited by the mark-downs.

**This Week the Following Special Sales Will Command Your Attention:**

Remodeling Sale of Suits, Waists, Skirts and Dresses. (Second Floor.)

Semi-Annual Sale of Table Linens, Towels, Napkins, etc. (Main Floor.)

A Big Sale of Colored Wash Fabrics. (Main Floor.)

Half-Price Sale of Lace, Net and Muslin Curtains. (Third Floor.)

Other unusually low price offerings from day to day will make you feel like visiting this cool store every day for a shopping trip of real pleasure. To-morrow's list of under-price offerings is exceptionally fine.

**Greatest Garment Bargains Of the Season**

The contractors are crowding us with their scaffolding until we are cramped into such close quarters that the bargains here to-morrow are greater than ever before.
